Protein structure and disorder analysis for three protein segments. The first segment (1-60) shows a high-confidence secondary structure with many alpha-helices. The second segment (70-120) also shows a high-confidence secondary structure with a mix of helices and loops. The third segment (1) shows a single residue 'F' with no structure or disorder.

Confidence Key

High(9)  Low (0)

? Disordered

 Alpha helix

 Beta strand
