The figure displays two protein segments with their sequences, secondary structures, and disorder predictions.

Top Segment (Residues 1-60):

- Sequence:** MTTTGLRPRLNVRQRKDTGYLPHSSPFSLQFRPAILYS DGYLPLVPEDKNETDKIHTPRI
- Secondary structure:** Shows three alpha-helices (blue arrows) and a beta-strand (green zigzag) at the C-terminus.
- SS confidence:** A bar chart showing confidence levels for secondary structure elements.
- Disorder:** A bar chart showing regions of predicted disorder (red/yellow) and ordered structure (green/blue).
- Disorder confidence:** A bar chart showing confidence levels for disorder predictions.

Bottom Segment (Residues 70-80):

- Sequence:** VPQKLER T P S D T S R S R G C H C F Y A G W L
- Secondary structure:** Shows a beta-strand (green zigzag) and an alpha-helix (blue arrow).
- SS confidence:** A bar chart showing confidence levels for secondary structure elements.
- Disorder:** A bar chart showing regions of predicted disorder (red/yellow) and ordered structure (green/blue).
- Disorder confidence:** A bar chart showing confidence levels for disorder predictions.

Confidence Key

High(9)  Low (0)

? Disordered

 Alpha helix

 Beta strand
