Protein structure and disorder analysis for two protein segments. The first segment (residues 1-60) shows a sequence with several alpha-helices and a disordered region. The second segment (residues 70-120) shows a sequence with several alpha-helices and a disordered region. The third segment (residues 130-138) shows a short sequence with a disordered region.

Confidence Key

High(9)  Low (0)

? Disordered

 Alpha helix

 Beta strand
