Protein structure and disorder analysis for two protein segments. The top segment (1-60) shows a sequence with a high-confidence secondary structure (green helices) and a disorder analysis with a high confidence score (red) and a disorder prediction (green). The bottom segment (70-90) shows a sequence with a high-confidence secondary structure (green helices) and a disorder analysis with a high confidence score (red) and a disorder prediction (green).

Confidence Key

High(9)  Low (0)

? Disordered

 Alpha helix

 Beta strand
