Figure 1: Schematic representation of the protein structure and disorder analysis. The figure shows a protein sequence of 20 residues: MKRISTTTTITTTGNGAG. The secondary structure is represented by a blue arrow indicating a single alpha-helix. The SS confidence is shown as a bar with segments of red, green, and yellow. The disorder is indicated by question marks at the beginning and end of the sequence. The disorder confidence is shown as a bar with segments of red, green, and blue.
