Figure 1 displays the sequence, secondary structure, and disorder analysis of the protein. The figure is divided into four panels, each showing a different segment of the protein sequence (residues 1-60, 70-120, 130-180, and 190-200). Each panel displays the sequence, secondary structure (SS) as a green ribbon, confidence scores for SS, disorder, and disorder confidence, and disorder predictions (question marks) for the respective segment.
